

## 2018-2019 Season Program

---

Dear Waco Symphony Program Advertiser,

The Waco Symphony Orchestra is pleased to offer your company priority ad placement in the 2018-2019 Season program. As a past advertiser, you are aware of the benefits of the high visibility your advertisement in the program brings to your business.

The full-color, high-quality glossy program is printed on elegant bright white paper and includes compelling content that is reviewed multiple times by concert patrons and others. The program is distributed at each of five full-orchestra subscription concerts per season and to arts donors, corporate sponsors, and community leaders. (Enclosed is a sample of this season's program. The 2018-2019 program will be similar in size, design and number of pages.)

The average attendance at Waco Symphony Orchestra concerts exceeds 1,600. The vast majority of attendees are ages 35-plus and comprise the largest disposable income segments in the greater Waco area, so don't miss the opportunity to reach this group of high-income consumers.

In addition to reaching your target market, your advertising supports the Symphony's artistic programs and helps the Waco Symphony Orchestra continue as a major source of cultural enrichment for Waco and surrounding communities.

If you wish to showcase your business in the Waco Symphony Orchestra's 2018-2019 Season program, complete the attached advertising agreement and either fax it to my attention at (254) 752-8611 or email it to [Marketing@WacoSymphony.com](mailto:Marketing@WacoSymphony.com).

If you have any questions, I welcome the opportunity to visit with you. My contact information is listed below.

Thank you for your support of the Waco Symphony Orchestra.
